Input Details	
Image Picker from device	After input image
	

Select Date

The screenshot shows a mobile app interface with a date selection calendar. At the top, the status bar displays the time 13:46, signal strength, and battery level. Below the status bar is a header image of a small white dog. A blue modal window titled "SELECT DATE" is open, showing the date "Thu, Oct 3" with a pencil icon for editing. Below the date is a calendar for "October 2002" with days of the week (S, M, T, W, T, F, S) and dates (1-31). The date "3" is highlighted. At the bottom of the modal are "CANCEL" and "OK" buttons. Below the modal is a "Medical History" section with a red calendar icon. At the very bottom is a navigation bar with icons for "Clinic", "Home", "Guide", and "Profile".

Select Gender

The screenshot shows a mobile app interface with a gender selection dropdown menu. At the top, the status bar displays the time 13:50, signal strength, and battery level. Below the status bar is a header image of a small white dog. Below the image are input fields for "Name", "Gender", "Breed or Mix", "Weight", and "Pet type", each with a pencil icon for editing. The "Gender" dropdown menu is open, showing "Male" and "Female" options. Below these fields is a "Health and Medical Information Section" with a "Vaccination Status" input field and a "Medical History" section with a red calendar icon. At the bottom is a navigation bar with icons for "Clinic", "Home", "Guide", and "Profile".

Fill out all the information (Page1)
